APOLLO

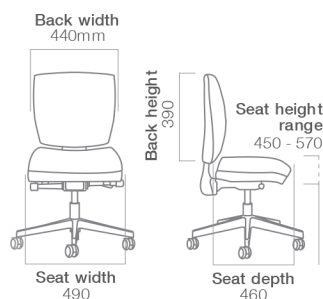

Designed by Mark Ayache at Ivars design Italy, the Apollo is a clean slim line chair, with superior comfort for both task and executive application. It utilises the latest ergonomic 3 lever heavy duty mechanism allowing the user to adjust the seat height, back height and the seat tilt. Full body motion support and features like, seat slide, tension control and moulded seat foam with a waterfall front to increase blood flow to users legs.

OPTIONS

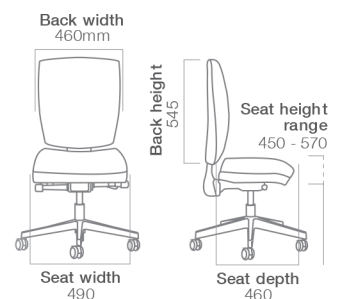

- Optional height adjustable arms.
- Upholstered with your choice of fabric.
- Various castor options available.
