

# DYNAMIC ONE MONITOR ARM

Enhance workplace connectivity and performance

Using monitor arms in the workspace promotes a healthier and more productive workforce. Users will minimise their risk of pain and musculoskeletal disorders while regaining valuable desktop space.

## FEATURES AND BENEFITS

The Dynamic One Monitor Arm is made to the highest quality standards and combines a range of innovative features:

- High capacity construction with modern aesthetic contemporary design
- Unsurpassed screen weight range 2.5kg to 15kg
- Visible tension controller provides easy monitor balance adjustment
- Quick release feature providing fast and easy monitor installation
- Integrated cable management
- 180 Degree screen turning angle with stop mechanism to avoid over rotation
- Easy and convenient storage of tools at base of arm
- 7 Year Warranty.
