

DICE POWER ACCESSORY

A Modern, Flexible Power System for your Workstation

FEATURES AND BENEFITS

The unique design of DICE ensures that plugs cannot block each other. The high-powered USB ports can charge any smartphone, notebook or tablet quickly and efficiently. Mount the DICE neatly on top of your desk or under the desktop with the included mounting hardware and cable management clip. The built-in resettable circuit breaker ensures power running through the DICE is cut off in the event of a power surge. Available in 1.5m and 3.0m cable lengths. Complies with AS/NZS3105:20112 standards.

- USB Output: 2x 5V, 2100mA (10W)
- 4x Power outlets, power surge protected
- Voltage: 250v; 10A
- Cord length: 1.5m or 3.0m cords available
- Mounting dock and cablefix bracket included
- 12 Months warranty
