

QUICKSHIFT DUAL DESK

Enhance workplace connectivity and performance

The Quickshift Dual Desk is a height adjustable standing workstation that can be placed on your existing desktop. A dual monitor arm is included to ergonomically mount two computer monitors at the correct user height while saving space on the Quickshift Worktop.

FEATURES AND BENEFITS

The Quickshift stand provides an affordable sit to stand workstation solution to suit any office. With a small footprint, gas assisted height adjustment, and ability to upgrade to dual screen, the Quickshift will assist any work team with increased productivity, energy levels and overall mental and physical fitness, all within an affordable budge.
